# Fill in the gaps

Bright lights got me feeling jolly
Never let you down, that's my word
You ain't gotta worry
Work for this
Don't know about you but I (13) for this
Couple labels said I wasn't worth the risk
Just another hoodrat hoodie with a (14) hat
He's just one of them looking for a purse to nick
Never really had a (15) B
Stayed on point
I am (16) (17) a Stanley
Big star, flash car, looking trendy
I know I got my (18) high, took it by Kylie
From (19) I've been obsessed (20)
the fame
Know you're in lane
'Cause your (21) were the same
Every day I pray, really wishing for a change
Dreams to reality and now I'm in the game
Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose me way
'Cause I know somehow
Something's gonna change, yeah
Let me tell you when to take it down
This is the part where the (22) (23)
down
Stay looking up, never (24) down
Long as the bright (25) are
(26) down
Flash (27) and the good life
Keep (28) out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose me way
'Cause I (29) somehow
Something's gonna change
(Something's gonna change)
Ha ha
