

## Fill in the gaps

| I'm gonna make you bend and                        |
|--|
| I'm gonna make you bend and break                  |
| (It sent you to me without wings)                  |
| Say a prayer, but let the good times roll          |
| In case God doesn't show                           |
| (Let the good times roll, let the good times roll) |
| And I want these words to make things right        |
| But it's the wrongs                                |
| That make the words come to life                   |
| Who does he think he is?                           |
| If that's the worst you got                        |
| Better put (1) fingers back to the keys            |
| One night and one more time                        |
| Thanks for the memories                            |
| Even though they weren't so great                  |
| He tastes like you only sweeter                    |
| One night yeah, and one more time                  |
| Thanks for the memories                            |
| Thanks for the memories                            |
| See, he tastes like you only sweeter               |
| (Ohhhhhh)  |
| I'm looking (2) to the future                      |
| But my eyesight is going bad                       |
| And (3) crystal ball                               |
| It's always cloudy                                 |
| Except for (except for)                            |
| When you look into the past (look into the past)   |
| One (4) stand                                      |
| One night stand                                    |
| One night and one more time                        |
| Thanks for the memories                            |
| Even though they weren't so great                  |
| He (5) like you only sweeter                       |
| One night yeah, and one more time                  |
| Thanks for the memories                            |

Thanks for the memories

See, he tastes like you only sweeter

| (Ohhhhhh)                                     |

| They say                                      |
| I only think in the form of crunching numbers |
| In hotel rooms                                |
| Collecting page six lovers                    |
| Get me out of my mind                         |
| Get you out of those clothes                  |
| I'm a liner away                              |
| From getting you into the mood                |
| One night and one (6) time                    |
| Thanks for the memories                       |
| Even (7) they weren't so great                |
| He tastes like you only sweeter               |
| One night yeah, and one more time             |
| Thanks for the memories                       |
| Thanks for the memories                       |
| See, he tastes like you only sweeter          |
| (Ohhhhhh)                                     |
| One more night (one more night)               |
| And one more (8) (one more time)              |
| Thanks for the memories                       |
| Even though they weren't so great             |
| He tastes like you only sweeter               |
| One more night (one more night)               |
| And one more time (one more time)             |
| Thanks for the memories                       |
| Even though they weren't so great             |
| He tastes like you (9) sweeter                |
| One (10) yeah (one more night)                |
| And one more time (one more time)             |
| Thanks for the memories                       |
| Thanks for the memories                       |
| See, he tastes like you only sweeter          |
| (Ohhhhhh)                                     |
