Love Is Stronger Than Pride (Live) by Sade

I won't pretend	Love is stronger than pride
That I intend to stop living	I still really really (6) you
I won't pretend	(mmm)
I'm good at forgiving	Sitting here (7) my time
But I can't hate you	Would be like waiting for the sun to rise (oh)
Though I (1) tried	It's all too clear, yeah
(Ahmmm)	Things come and go
I still really (2) love you	Sitting (8) waiting for you
Love is stronger than pride	Would be like (9) for winter
I (3) really really love you	It's gonna be cold, there may even
(mmm)	Be snow
I won't pretend	I still really really love you
That I intend to stop living	Love is stronger than pride
I won't pretend	I still really really love you
I'm good at forgiving (oh)	Love is stronger
But I can't (4) you	I still (10) love you
Though I have tried	Love is stronger than pride
(Ahmmm)	
I still really really (5) you
