Attracting Flies by AlunaGeorge

I hear you out, you hear me out

Fill in the gaps

Hold on now I'm choking	I hear you shout, I'm not stepping out
Give me a (1) to collect myself	I hear you out, hear me out
You must be joking	I hear you shout, I'm not stepping out
Otherwise I'm laughing to myself	Let (6) fairy tales and
Why you here again	Little white lies
Hold on a minute, let me check this out	Everything you exhale
Your invitation's a fake	Is attracting flies
Must be from a (2) it out	And we can go off the wales and
I hear you out, you hear me out	You can cry your eyes out
I hear you shout, I'm not stepping out	But (7) you exhale
I (3) you out, you hear me out	Is attracting flies
I hear you shout, I'm not stepping out	How'd you think you know when you stop igniting
Let away fairy tales and	You know my heart right and you had me aching
Little white lies	How about a piece of your own medicine
Everything you exhale	Now you're outside there trying to get in
Is attracting flies	(B-A-B) What would I care if you want me
And we can go off the wales and	(B-A-B) What would I care if you don't
You can cry your eyes out	(B-A-B) What would I care if you (8) me
But everything you exhale	(B-A-B) What would I care if you go
Is attracting flies	Let away fairy tales and
Please stay it's your moment	Little white lies
I'll give you all the listening that you need	Everything you exhale
Don't be so mean	Is attracting flies
Who needs the drama, who (4) you have to bleed	And we can go off the wales and
I'm excited	You can cry (9) eyes out
Come on surprise me, sweep me off my fate	But everything you exhale
Oh, enlight me	Is attracting flies
