## Attracting Flies by AlunaGeorge

## Fill in the gaps

I hear you shout, I'm not stepping out
I hear you out, hear me out
I hear you shout, I'm not stepping out
Let away fairy tales and
Little white lies
Everything you exhale
Is attracting flies
And we can go off the wales and
You can cry (7) eyes out
But everything you exhale
Is attracting flies
How'd you think you know when you
You know my heart right and you had
How about a piece of your own medic
Now you're outside there trying to get
(B-A-B) What would I care if you want
(B-A-B) What (8) I care
(B-A-B) What would I care if you need
(B-A-B) What would I care if you go
Let away fairy tales and
Little white lies
Everything you exhale
Is (9) flies
And we can go off the (10)
You can cry your eyes out
But everything you exhale
Is attracting flies
