

Fill in the gaps

It starts with one thing I don't know why	Not that you (7) me back then
It doesn't even matter how hard you try	But it all comes back to me in the end
Keep that in (1) I designed this rhyme	I kept everything inside
To explain in due time, all I know	And even though I tried it all fell apart
Time is a valuable thing	What it meant to me will eventually be
Watch it fly by as the pendulum swings	A memory of a time when
Watch it (2) down 'til the end of the day	I tried so hard and got so far
The clock ticks life away, it's so unreal	But in the end it doesn't even matter
You didn't look out below	I had to (8) to lose it all
Watch the time go right out the window	But in the end it doesn't even matter
Tryin' to hold on but didn't even know	I put my trust in you
I wasted it all just to watch you go	Pushed as far as I can go
I kept everything inside	For all this
And even though I tried it all fell apart	There's only one thing you should know
What it meant to me will eventually be	I put my trust in you
A memory of a time when	Pushed as far as I can go
I tried so hard and got so far	For all this
But in the end it doesn't (3) matter	There's only one thing you should know
I had to fall to lose it all	I tried so hard and got so far
But in the end it doesn't even matter	But in the end it doesn't even matter
One thing, I don't know why	I had to fall to lose it all
It doesn't even matter how hard you try	But in the end it doesn't even matter
Keep that in mind I designed this rhyme

In (4) of the way you were mocking me	
Acting like I was part of your property	©ZOMBA (9) INC
Remembering all the times you fought with me	
I'm surprised it got so far	
Things aren't the way they (5) before	
You wouldn't even (6) me anymore
