Fill in the gaps

If I Never See You Again by Wet Wet Wet

The morning light comes stealing to start a new day	You've changed my (8) completely
Out (1) the world is (2) to	I'm touched by your love
take us far away	Even if I never see you
And it's time to (3) the final break	If I never see you again
But the (4) will linger forever	And if I never see you again
If I never see you again	No one can tell you how the story ends
And think of me now and then	Where the road will lead
Though it hurts so sweetly	When love begins, yeah
They say all good things come to an end	You've changed my life completely
You've changed my life completely	I'm touched by your love
I'm touched by your love	Even if I never see you
Even if I never see you again	If I never see you
The night is so unforgiving, yeah, and I'm on my own	Even if I never see you again
I realize what I'm missing and now that you've gone	And if I never see you
So I say a prayer, are you out there?	Yeah, yeah, yeah, yeah
Are you (5) (6) I'm feeling now?	
Yeah	
If I (7) see you again	
And think of me now and then	
Though it hurts so deeply	
They say all good things come to an end
