

Uprising by Muse

The paranoia is in bloom, the PR

The transmissions will resume

They'll try to push drugs

Keep us all dumbed down and hope that

We will never see the truth around

Another promise, another scene, another

A package not to keep us trapped in greed

With all the green belts wrapped around our minds

And endless red tape to keep the truth confined

They will not force us

They will stop (1)_____ us

They will not control us

We will be victorious

Interchanging mind control

Come let the revolution take it's toll if you could

Flick the switch and open your (2)_____ eye, you'd

see that

We should never be afraid to die

Fill in the gaps

Rise up and take the (3)_____ back, it's time that

The fat (4)_____ had a heart attack, you know that

Their (5)_____ is coming to an end

We have to unify and watch our (6)_____ ascend

They (7)_____ not force us

They will stop degrading us

They will not control us

We will be victorious

They will not force us

They (8)_____ stop (9)_____ us

They will not control us

We will be victorious
