

Fill in the gaps

The paranoia is in bloom, the PR	Rise up and take the (8)	_ back, it?s (9)
The transmissions will resume	that	
They?ll try to push drugs	The fat cats had a heart attack, you know that	
Keep us all dumbed (1) and hope that	Their time is coming to an end	
We will never see the truth around	We have to unify and watch our flag ascend	
Another promise, another scene, another	They will not force us	
A package not to (2) us trapped in greed	They will stop degrading us	
With all the green belts (3)	They will not control us	
(4) our minds	We will be victorious	
And (5) red tape to keep the truth confined	They will not force us	
They will not force us	They will stop degrading us	
They will stop degrading us	They will not control us	
They will not control us	We (10) be victorious	
We will be victorious		
Interchanging mind control		
Come let the revolution (6) it?s toll if you could		
Flick the switch and (7) your third eye, you?d see		
that		
We should never be afraid to die
