

## Fill in the gaps

We're in the world's of forgotten	Sometimes you're better lost than to be seen
They're (1) inside your memory	Don't look away
You're dragging on, your heart's been broken	From the arms of a moment
As we all go down in history	Don't (5) away
Where in the world did the time go?	From the arms of tomorrow
It's (2) your spirit (3) to roam	Don't look away
Like losing faith to our abandon	From the arms of a moment
Or an empty hallway from a broken home	Don't (6) away
Don't look away	From the (7) of love
From the arms of a bad dream	Don't look away
Don't look away	From the arms of a bad dream
Sometimes you're better lost than to be seen	Don't look away
I don't feel strange, it's more like haunted	Sometimes you're (8) lost than to be seen
Another moment trapped in time	Don't look away
I can't quite put my finger on it	From the arms of a moment
But it's like a child that was (4) behind	Don't look away
So where in the world's the forgotten?	From the arms of tomorrow
Like soldiers from a long lost war	Don't look away
We share the scars from our abandon	From the arms of a moment
And what we remember becomes folklore	Don't (9) away
Well, don't look away	From the (10) of love
From the arms of a bad dream	
Don't look away	

- 1. lost
- 2. where
- 3. seems
- 4. left
- 5. look
- 6. look
- 7. arms
