

Fill in the gaps

vveire in the world's of forgotten	Sometimes you're better (13) to be
They're lost (1) (2) memory	seen
You're (3) on, your heart's been broken	Don't (15) away
As we all go down in history	From the arms of a moment
Where in the (4) did the time go?	Don't (16) away
It's where your spirit seems to roam	From the (17) of tomorrow
Like losing faith to our abandon	Don't (18) away
Or an empty hallway from a broken home	From the (19) of a moment
Don't (5) away	Don't look away
From the arms of a bad dream	From the arms of love
Don't (6) away	Don't look away
Sometimes you're better lost than to be seen	From the arms of a bad dream
I don't (7) strange, it's more (8) haunted	Don't (20) away
Another moment trapped in time	Sometimes you're better lost than to be seen
I can't quite put my finger on it	Don't look away
But it's (9) a child that was left behind	From the (21) of a moment
So where in the world's the forgotten?	Don't look away
Like soldiers from a long lost war	From the (22) of tomorrow
We (10) the (11) from our	Don't (23) away
abandon	From the (24) of a moment
And what we remember becomes folklore	Don't (25) away
Well, don't look away	From the arms of love
From the (12) of a bad dream
