

Fill in the gaps

We're in the world's of forgotten		Sometimes you're (5)	lost than to be seen	
They're (1) inside your memory		Don't look away	Don't look away	
You're dragging on, your heart's been broken		From the arms of a moment	From the arms of a moment	
As we all go down in history		Don't look away	Don't look away	
Where in the world did the time go?		From the (6) of tomor	row	
It's where your (2) (3	3) to roam	Don't look away		
Like losing faith to our abandon		From the arms of a moment	From the arms of a moment	
Or an empty hallway from a broken home		Don't (7) away		
Don't look away		From the arms of love	From the arms of love	
From the arms of a bad dream		Don't (8) away	Don't (8) away	
Don't look away		From the arms of a bad dream	From the arms of a bad dream	
Sometimes you're better lost than to be seen		Don't look away	Don't look away	
I don't feel strange, it's more like haunted		Sometimes you're better lost tha	Sometimes you're better lost than to be seen	
Another moment trapped in time		Don't look away	Don't look away	
I can't quite put my finger on it		From the arms of a moment	From the arms of a moment	
But it's like a child that was left behind		Don't look away	Don't look away	
So where in the world's the forgotten?		From the arms of tomorrow	From the arms of tomorrow	
Like soldiers from a long lost war		Don't look away	Don't look away	
We share the scars from our abandon		From the arms of a moment	From the arms of a moment	
And what we (4)	becomes folklore	Don't look away		
Well, don't look away		From the arms of love	From the arms of love	
From the arms of a bad dream
