

## Fill in the gaps

give a little	I can hear them (10) for me (now I'm
nto the moment like I'm standing at the edge, I know	falling)
That no one's gonna turn me around	Falling, falling, falling
Just one more step, I could let go	Falling, falling, falling
And in the middle	Falling, falling
hear the voices and they're calling for me now, I know	And now I'm falling, falling
That nothing's gonna wake me now	Falling, falling
Cause I'm a (1) to the sound	Falling, falling, falling
And they're (2) up	Falling, falling
Don't stop, no, I'll never (3) up	And now I'm falling
And I'll never look up, just hold your head up	Falling, falling, falling, fall, yeah
And if it gets rough, it's time to get rough	And now I'm falling
They keep saying	Falling, falling, falling, fall, yeah
Don't stop, no one's ever enough	And now I'm falling
'll never look up, never give up	Into the fire feeling (11) than the truth (but
And if it gets rough, it's (4) to get rough	now falling)
But now I'm falling, falling, falling	I can feel the (12) but I'm not
Falling, falling, falling	(13) (I'm falling)
Falling, falling, falling	Feeling desire, feel the tired hungry tooth (but now falling)
Falling	Feels like I'm falling away
Now I'm going down	I can hear (14) (15) for me (now
And I can feel the eyes are watching us so closely	I'm falling)
'm trying not to make a sound	Into the fire (16) higher than the truth (but
Cause I'll be found out somehow	now falling)
So keep calling	I can feel the heat but I'm not (17) (falling)
Don't stop, no, I'll never (5) up	Feeling desire, feel the tired hungry tooth (but now falling)
And I'll never look up, just hold your head up	It feels like I'm falling away
And if it gets rough, it's time to get rough	I can hear them calling for me (now I'm falling)
They keep saying	Never (18) up, (19) give up
Don't stop, no one's ever enough	Never look up, (20) give up
'll never look up, never give up	Never look up, never give up
And if it gets rough, it's time to get rough	I'll (21) give up, I'll never give up (now I'm falling)
But now I'm falling	Never look up, never give up
nto the fire feeling higher (6) the (7)	Never (22) up, never give up (I'm falling)
(I'm falling)	Never look up, never give up
can feel the heat but I'm not burning (but now falling)	I'll never give up, I'll never (23) up (now I'm falling)
Feeling desire, feed the tired hungry tooth (I'm falling)	Never look up, (24) give up
Feels like (8) falling away	Never look up, never give up
can hear (9) calling for me (but now I'm falling)	Never look up, never (25) up
nto the fire feeling higher than the truth (I'm falling)	I'll never give up, I'll never give up
can feel the heat but I'm not burning (but now falling)	Never look up, never give up
Feeling desire, feel the tired hungry tooth (I'm falling)	Never look up, (26) up
Feels like I'm falling away	Never (28) up, never give up
	I'll (29) give up, I'll never give up
