

Fill in the gaps

I'm lyin' here
On the floor where you left me
I think I took too much
I'm crying here
What have you done?
I (1) it would be fun
I can't stay on (2) life support
There's a shortage in the switch
I can't stay on (3) morphine
'Cause it's making me itch
I (4) I tried to call the nurse again
But she's being a little bitch
I think I'll get outta here
Where I can run?
Just as (5) as I can
To the middle of nowhere
To the (6) of my frustrated fears
And I swear
You're just like a pill
Instead of makin' me better
You (7) makin' me ill
You keep makin' me ill
I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I (8) get some help
I can't stay on (9) life support
There's a shortage in the switch
I can't stay on your morphine
'Cause it's making me itch
I said I tried to (10) the nurse again
But she's being a little bitch
I think I'll get outta here
Where I can run?
Just as fast as I can
To the middle of nowhere
To the (11) of my frustrated fears
And I swear
You're just like a pill
Instead of makin' me better
You (12) makin' me ill
You keep makin' me ill
Run just as fast as I can

To the middle of nowhere
