

Fill in the gaps

i guess it's funnier from (1) you're standing	Bening the glass
'Cause from over (2) I've missed the joke	Go ahead and laugh
Cleared the way for my (3) landing	'Cause it's funny
I've done it again	I (19) too if I saw me
Another (4) for your notes	I'll be your clown
I'd be smiling if I wasn't so desperate	On your (20) channel
I'd be patient if I had the time	My life's a circus, circus
I could (5) and (6) all of	Rounding circles
(7) questions	I'm selling out tonight
As (8) as I (9) out	From a distance my choice is simple
How I could (10) from the back of the line	From a distance I can entertain
I'll be your clown	So you can see me I put make-up on my face
Behind the glass	But there's no way you can feel it
Go (11) and laugh	From so far away
'Cause it's funny	I'll be your clown
I would too if I saw me	Behind the glass
I'll be (12) clown	Go ahead and laugh
On your favorite channel	'Cause it's funny
My life's a circus, circus	I (21) too if I saw me
Rounding circles	I'll be your clown
I'm selling out tonight	On your favorite channel
I'd be less angry if it was my decision	My life's a circus, circus
And the (13) was (14) rolling in	Rounding circles
If I had more (15) my ambition	I'm (22) out tonight
I'll have time to please	
I'll (16) time to (17) you as	
(18) as I win	
I'll be vour clown
