

## Fill in the gaps

I guess it's funnier (1)_	where you're standing		Behind the glass		
'Cause (2) over here I've missed the joke			Go ahead and laugh		
Cleared the way for my crash landing			'Cause it's funny		
I've done it again			I would too if I saw me		
Another number for your notes			I'll be (7) clown		
I'd be smiling if I wasn't so desperate			On your favorite channel		
I'd be patient if I had the time			My life's a circus, circus		
I could stop and answer all of your questions			Rounding circles		
As soon as I find out			I'm selling out tonight		
How I (3)	move from the back of the line		From a distance my choice is simple		
I'll be your clown			From a distance I can entertain		
Behind the glass			So you can see me I put make-up on my face		
Go ahead and laugh			But there's no way you can feel it		
'Cause it's funny			From so far away		
I would too if I saw me			I'll be (8)	clown	
I'll be your clown			Behind the glass		
On your favorite channel			Go ahead and laugh		
My life's a circus, circus			'Cause it's funny		
Rounding circles			I would too if I saw me		
I'm selling out tonight			I'll be your clown		
I'd be less angry if it was my decision			On your favorite channel		
And the money was (4) rolling in			My life's a circus, circus		
If I had more than my ambition			Rounding circles		
I'll have time to please			I'm (9)	out tonight	
I'll have time to (5)	you as (6)	as I			
win					
I'll be your clown
