

Seems like everybody's got a price
I wonder how they sleep at night
When the sale (1)_____ first
And the truth comes second
Just stop, for a minute and smile
Why is everybody so serious
Acting so damn mysterious
Put the shades on your eyes
And your heels so high
That you can't even have a good time
Everybody look to their left
Everybody look to their right
Can you feel that? yeah!
We're paying with love tonight
It's not about the money, money, money
We don't need you money, money, money
We just wanna make the world dance
Forget about the (2)_____ tag
Ain't about the (ha)
(Cha-ching cha-ching)
Ain't about the (yeah)
(Ba-bling ba-bling)
Wanna make the world dance
Forget about the price tag
We need to take it back in time
When music made us all unite
And it wasn't low blows and video hoes
Am I the only one getting tired?
Why is everybody so obsessed?
Money can't buy us happiness
Can we all slow down and enjoy right now
Guarantee we'll be feelin all right
Everybody look to their left
Everybody look to their right
Can you feel that? (yeah)
We're paying with love tonight
It's not about the money, money, money
