

Fill in the gaps

Angel Of The Morning by Juice Newton

There'll be no strings to bind your hands	Just call me angel of the (13) angel
Not if my (1) can't (2) (3)	Just (14) my (15) before you
heart	(16) me, baby
There's no need to take a stand	Just call me angel of the (17) angel
For it was I who chose to start	Then slowly turn away, I won't beg you to stay with me
I see no need to (4) me home	Through the (18) of the day, of the years, baby
I'm old (5) to face the dawn	Just call me angel of the morning angel
Just call me (6) of the morning angel	Just touch my cheek before you leave me, baby
Just (7) my cheek before you (8)	Just call me angel of the morning angel
me, baby	Just touch my cheek before you (19) me, darling
Just call me angel of the morning angel	Just call me (20) of the morning angel
Then slowly turn away (9) me	Just touch my (21) you
Maybe the sun's (10) be dim	(23) me, darling
And it won't matter anyhow	
If morning's echoes say we've sinned	©EMI (24) MUSIC INC.
Well, it was what I (12) now	
And if we're victims of the night	
I won't be blinded by the light
