

Fill in the gaps

Angel Of The Morning by Juice Newton

There'll be no strings to bind your hands	Just call me angel of the morning angel
Not if my love can't bind your heart	Just touch my cheek before you (5) me, baby
There's no need to take a stand	Just call me angel of the morning angel
For it was I who chose to start	Then slowly turn away, I won't beg you to stay (6)
I see no need to take me home	me
I'm old enough to face the dawn	Through the tears of the day, of the years, baby
Just call me angel of the morning angel	Just call me angel of the morning angel
Just (1) my cheek (2) you leave	Just (7) my cheek before you leave me, baby
me, baby	Just call me (8) of the morning angel
Just call me angel of the morning angel	Just touch my cheek before you leave me, darling
Then slowly turn away from me	Just call me angel of the morning angel
Maybe the sun's light will be dim	Just (9) my cheek before you leave me, darling
And it won't (3) anyhow	
If morning's (4) say we've sinned	©EMI BLACKWOOD MUSIC INC.
Well, it was what I wanted now	
And if we're victims of the night	
I won't be blinded by the light
