## Rolling In The Deep (Cover) (Live) by Vázquez Sounds & Camila (Piano)

		You had my heart inside your hand		
There's a fire starting in my heart		But you played it with the beat		
Reaching a fever pitch and it's bringing me out the dark		We could have had it all		
Finally, I can see you crystal clear		Rolling in the deep		
Go ahead and sell me out and I'll lay your ship bare		You had my heart (7) your hand		
See how I'll leave every piece of you		But you played it with a beating		
Don't (1)	the things that I will	Throw your soul thro	ough (8) open door	
do		Count (9)	_ blessings to find what (10)	
There's a fire starting in my heart		look for		
Reaching a fever pitch and it's bring me out the dark		Turn my sorrow into treasured gold		
The scars of your (2) remind me of us		You'll pay me back in kind		
They keep me thinking that we almost had it all		And reap just what you've sown		
The scars of your love, they leave me breathless		We could have had it all (un aplauso México)		
I can't help feeling		We could have had it all		
We (3) have had it all		It all, it all, it all		
Rolling in the deep		We could have had it all		
You had my heart inside your hand		Rolling in the deep		
But you (4) it with the beat		You had my heart inside your hand		
Baby, I have no story to be told		But you played it with the beat		
But I've heard one on you		We could have had it all		
And I'm gonna make (5) head burn		Rolling in the deep		
Think of me in the depths of your despair		You had my heart inside your hand		
Make a home down there as mine sure won't be shared		But you played it		
The scars of your (6) remind me of us		You played it		
They keep me thinking that we almost had it all		You played it		
The scars of your love, they leave me breathless		You played it to the beat		
I can't help feeling				
We could have had it all
