

Rolling in the deep...

Fill in the gaps

Rolling In The Deep (Cover) (Live) by Vázquez Sounds & Camila (Piano)

	You had my (19) inside (20) hand
There's a fire starting in my heart	But you (21) it with the beat
Reaching a fever (1) and it's bringing me out the	We could have had it all
dark	Rolling in the deep
Finally, I can see you crystal clear	You had my heart inside your hand
Go ahead and sell me out and I'll lay (2) ship bare	But you played it (22) a beating
See how I'll leave every piece of you	Throw (23) soul through every open door
Don't underestimate the (3) that I will do	Count your (24) to (25)
There's a fire starting in my heart	what your look for
Reaching a fever (4) and it's bring me out the	Turn my sorrow into treasured gold
dark	You'll pay me back in kind
The scars of your love remind me of us	And reap just (26) you've sown
They keep me thinking that we almost had it all	We could have had it all (un aplauso México)
The scars of (5) love, (6) leave me	We (27) have had it all
breathless	It all, it all, it all
I can't (7) feeling	We could have had it all
We could have had it all	Rolling in the deep
Rolling in the deep	You had my heart inside (28) hand
You had my heart (8) your hand	But you played it with the beat
But you played it (9) the beat	We could have had it all
Baby, I have no story to be told	Rolling in the deep
But I've heard one on you	You had my heart inside your hand
And I'm gonna make (10) (11) burn	But you played it
Think of me in the (12) of (13)	You (29) it
despair	You (30) it
Make a home (14) there as (15)	You played it to the beat
(16) won't be shared	
The scars of your love (17) me of us	
They keep me (18) that we almost had it	
all	
The scars of your love, they leave me breathless	
I can't help feeling	
We could have had it all
