We could have had it all...

Fill in the gaps

Rolling In The Deep (Cover) by Maddi Jane

There's a (1) starting in my heart	Rolling in the deep
Reaching a fever pitch and it's (2) me	You had my (16) inside your hand
out the dark	And you played it to the beat
Finally, I can see you crystal clear	Throw (17) soul through every open door
Go ahead and sell me out and a I'll lay your ship bare	Count (18) blessings to find what you look for
See how I'll leave with every piece of you	Turn my (19) into (20)
Don't underestimate the things that I will do	gold
There's fire starting in my heart	You'll pay me back in kind
Reaching a (3) pitch and it's (4)	And reap just what you've sown
me out the dark	
The scars of your love remind me of us	We could have had it all
They (5) me thinking that we almost had it all	We could (21) had it all (all)
The (6) of your love, they leave me breathless	It all, it all, it all
I can't help feeling	We (22) have had it all
We could (7) had it all	Rolling in the deep
Rolling in the deep	You had my heart (23) your hand
You had my heart (8) your hand	And you played it to the beat
And you played it to the beat	We (24) have had it all
Baby, I (9) no story to be told	Rolling in the deep
But I've heard one on you	You had my (25) inside your hand
And I'm gonna make your (10) burn	But you played it
Think of me in the depths of you despair	You played it
Make a home down (11) as mine sure won't be	You (26) it
shared	You played it to the beat
The scars of (12) love remind me of us	
The keep me (13) (14) we	
almost had it all	
The scars of you love, they (15) me breathless	
I can't help feeling
