

## Fill in the gaps

Took a deep (1) in the mirror	Like a little kid
He didn't like it when I (2) (3) heels	I think it's strange that you think (17) funn
But I do	'cause
Turn the lock and put my (4) on	He (18) did
He always said he didn't get this song	I've (19) spending the (20) 8 months
But I do, I do	Thinking all love (21) does
Walked in (5) you'd be late	Is break and burn and end
But you got here (6) and you stand and wave	But on a (22) in a cafe
I (7) to you	I watched it begin again
You pull my chair out and help me in	And we walked down the block, to my car
And you don't know how nice that is	And I almost brought him up
But I do	But you start to talk about the movies
And you (8) (9) head back laughing	That your family watches every single Christmas
Like a little kid	And I want to talk about that
I think it's strange that you think (10)	And for the first time
(11) 'cause	What's past is past
He never did	'Cause you throw your head back laughing
I've been spending the last 8 months	Like a (23) kid
Thinking all love ever does	I (24) it's (25) that you think
Is break and (12) and end	(26) funny 'cause
But on a Wednesday in a cafe	He never did
I watched it begin again	I've been (27) the last 8 months
You said you never met one girl who	Thinking all love ever does
Had as many James (13) records as you	Is break and burn and end
But I do	But on a Wednesday in a cafe
We (14) stories and you don't (15) why	I watched it begin again
I'm coming off a (16) shy	But on a Wednesday in a cafe
But I do	I (28) it begin again
But you throw your head back laughing
