

Took a deep breath in the mirror

Fill in the gaps

Like a little kid

He didn't (1) it when I wore high heels
But I do
Turn the lock and put my headphones on
He always (2) he didn't get this song
But I do, I do
Walked in expecting you'd be late
But you got here early and you stand and wave
I walk to you
You pull my chair out and help me in
And you don't know how nice that is
But I do
And you throw your head back laughing
Like a little kid
I think it's strange that you think I'm funny 'cause
He never did
I've been spending the last 8 months
Thinking all love ever does
Is break and burn and end
But on a Wednesday in a cafe
I watched it begin again
You said you never met one girl who
Had as many James (3) records as you
But I do
We tell stories and you don't (4) why
I'm coming off a little shy
But I do
But you throw your head back laughing

I think it's strange that you think (5)	funny 'cause
He never did	
I've been spending the last 8 months	
Thinking all love ever does	
Is break and burn and end	
But on a Wednesday in a cafe	
I watched it begin again	
And we walked down the block, to my car	
And I almost brought him up	
But you (6) to talk about the mov	ries
That your family watches every single Christma	as
And I want to talk about that	
And for the first time	
What's past is past	
'Cause you throw your head back laughing	
Like a little kid	
I think it's strange (7) you think I'm	funny 'cause
He never did	
I've been spending the last 8 months	
Thinking all love ever does	
Is (8) and burn and end	
But on a Wednesday in a cafe	
I watched it begin again	
But on a Wednesday in a cafe	
I watched it begin again
