Everything you didn't do

Everything You Didn't Do by Jamie Cullum

When it's lit up by the stars		Standing right in front of you
In the moonlight we're all pretty		I don't (4) know what to say
'Cause it papers all the scar		About every little thing
Ever (1) like you belong		'Cause I'm (5) and I want to go to sleep
To a story you ain't heard		It's so clear now
Doesn't matter if it's your song		It's so clear now
And you don't know all the words		It's so (6) now
We should put up the sun		It's so clear now
We are citizens of all you can see		It's so clear now
We've got nothing but time		It's so clear now
You'll find everything you didn't do		That you'll find everything you didn't do
Everything you didn't do		(Don't give up because you wanna know)
Standing right in front of you		(Don't give up)
But euphoric combination		Everything you didn't do
Of a thousand dirty hands		(Don't (7) up because you (8) know)
There's no need for complication		(Don't give up)
On the shoulders we would stand		Everything you didn't do
It's a patient exploration		(Don't give up because you wanna know)
Where (2)	is free	(Don't give up)
There's no need for explanations		Everything you didn't do
We exist where we can see		(Don't give up (9) you wanna know)
We should put up the sun		(Don't give up)
We are (3)	of all you can see	Standing right in front of you
We've got nothing but time		
You'll find everything you d	lidn't do
