Everything You Didn't Do by Jamie Cullum

I will meet you in the city
When it's lit up by the stars
In the moonlight we're all pretty
'Cause it papers all the scar
Ever feel like you belong
To a story you ain't heard
Doesn't matter if it's your song
And you don't know all the words
We should put up the sun
We are (1)_____ of all you can see
We've got nothing but time
You'll find everything you didn't do
Everything you didn't do
Standing right in front of you
But euphoric combination
Of a thousand dirty hands
There's no (2)_____ for complication
On the shoulders we would stand
It's a patient exploration
Where discovery is free
There's no need for explanations
We (3)_____ where we can see
We should put up the sun
We are citizens of all you can see
We've got nothing but time
You'll find (4)_____ you didn't do

Everything you didn't do
Standing right in front of you
I don't even know what to say
About every little thing
'Cause I'm tired and I (5)_____ to go to sleep
It's so clear now
It's so clear now
It's so clear now
It's so (6)_____ now
It's so clear now
It's so clear now
That you'll find everything you didn't do
(Don't give up because you (7)_____ know)
(Don't give up)
Everything you didn't do
(Don't give up because you wanna know)
(Don't give up)
Everything you didn't do
(Don't give up because you wanna know)
(Don't give up)
Everything you didn't do
(Don't give up because you wanna know)
(Don't give up)
