

Fill in the gaps

It feels like a perfect night		I don't know about you
To dress up like hipsters		But I'm feeling 22
And make fun of our exes		Everything will be alright
(Uh uh uh uh)		If you keep me next to you
It feels like a perfect night		You don't know about me
For breakfast at midnight		But I bet you want to
To fall in (1) (2)) strangers	Everything will be alright
(Uh uh uh uh)		If we just keep dancing like we're 22
Yeah		22
We're happy, free, confused and lonely		I don't know about you
At the same time		22
It's miserable and magical (oh yeah)		22
Tonight's the night		It feels like one of those nights
When we forget (3)	the deadlines	We (5) the whole scene
It's time		It feels like one of those nights
(Uh uh)		We won't be sleeping
I don't know about you		It feels like one of those nights
But I'm feeling 22		You look like bad news
Everything will be alright		I gotta have you
If you keep me next to you		I gotta have you
You don't know about me		I don't know about you
But I bet you want to		But I'm feeling 22
Everything will be alright		Everything will be alright
We just keep dancing like we're 22		If you keep me (6) to you
22		You don't know about me
It seems like one of those nights		But I bet you (7) to
This place is too crowed		Everything will be alright
Too many cool kids		If we just keep dancing (8) we're 23
(Uh uh uh uh)		22
It seems like one of those nights		Dancing like 22 (yeah, yeah)
We ditch the whole scene		22 (yeah, yeah)
And end up dreaming		It feels (9) one of those nights
Instead of sleeping		We ditch the whole scene
Yeah		It feels like one of those nights
We're happy, free, confused and lonely		We won't be sleeping
In the best way		It feels like one of those nights
It's miserable and magical (oh yeah)		You look like bad news
Tonight's the night		I (10) have you
When we forget (4)	the heartbreaks	I gotta have you
It's time
