Fill in the gaps

Misery Business by Paramore

I'm in the business of misery, let's take it from the top
She's got a body (1)_____ an hourglass that's ticking like a clock
It's a matter of time before we all run out
But when I thought he was (2)_____ she caught him by the mouth
I waited eight long months, she finally set him free
I told him I couldn't lie, he was the only one for me
Two weeks and we caught on fire
She's got it out for me but I (3)_____ the biggest smile
Whoa, I never meant to brag
But I got him (4)_____ I want him now
Whoa, it was never my intention to brag
To (5)_____ it all away from you now
But God, does it (6)_____ so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good
Second chances they don't ever matter, people never change
Once a whore, you're nothing more, I'm sorry, that'll never change
And about forgiveness we're (7)_____ supposed to have exchanged
I'm sorry honey but I passed it up, now look this way
Well there's a million other girls who do it just like you
Looking as innocent as possible to get to who they want
And what they like, it's easy if you do it right
Well I refuse, I refuse, I refuse!
Whoa, I never meant to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away from you now
But God, does it feel so good
'Cause I got him where I want him right now
And if you could then you know you would
'Cause God, it just feels so
It just feels so good
I watched his wildest dreams come true
And not one of them involving you
Just watch my wildest dreams come true
Not one of them involving
Whoa, I never meant to brag
But I got him where I want him now
Whoa, I never (8)_____ to brag
But I got him where I want him now
Whoa, it was never my intention to brag
To steal it all away (9)_____ you now
But God, does it feel so good
'Cause I got him where I want him now
And if you could then you know you would
'Cause God, it just (10)_____ so
It just feels so good

Fill in the gaps

Answer

1. like
