Why Should I Love You by Des'ree

Fill in the gaps

Why should I (1) you?	You make me glad
You (2) me so bad	Why should I care for you?
You (3) me glad	I'll tell you my feelings
Why (4) I care for you?	Honestly
I'll tell you my (5) honestly	You (12) up
There are a few factors	The sun shines on (13) face
That lie in your favour	You crack a smile
Yet I'm attracted	You got big (14) today
Also distracted	Your (15) lies
Pride may ruin you slowly	Way up in the skies
Harbouring feelings	You'll fly (16) with invisible wings
You never let go	So why (17) I love you?
	You (18) me so bad
Why (6) I (7) you?	You make me glad
You treat me so bad	Why (19) I (20) for you?
You make me glad	I'll tell you my feelings
Why should I (8) for you?	Honestly
I'll tell you my feelings	Why (21) I love you?
Honestly	You're makin' me so glad
Trying to (9) me	So sad
That I'm in the wrong	Why (22) I care for you?
Though we've been together	You're makin' me so glad
For so long	So sad
There is something there	(Ooo ooh ooo ooh)
That I need	(Ooo ooh ooo ooh)
Yet far (10) from you	Why?
I can be free	
Why should I love you?	
Vou (11) me so had
