Why Should I Love You by Des'ree

You treat me so bad

Fill in the gaps

Why should I love you?	You make me glad
You (1) me so bad	Why should I care for you?
You make me glad	I'll tell you my feelings
Why should I care for you?	Honestly
I'll tell you my feelings honestly	You wake up
There are a few factors	The sun shines on your face
That lie in your favour	You crack a smile
Yet I'm attracted	You got big plans today
Also distracted	Your (4) lies
Pride may ruin you slowly	Way up in the skies
Harbouring feelings	You'll fly (5) (6) invisible wings
You never let go	So why (7) I love you?
	You treat me so bad
Why should I (2) you?	You make me glad
You treat me so bad	Why should I (8) for you?
You make me glad	I'll tell you my feelings
Why should I care for you?	Honestly
I'll tell you my feelings	Why (9) I love you?
Honestly	You're makin' me so glad
Trying to tell me	So sad
That I'm in the wrong	Why should I care for you?
Though we've been together	You're makin' me so glad
For so long	So sad
There is something there	(Ooo ooh ooo ooh)
That I need	(Ooo ooh ooo ooh)
Yet far (3) from you	Why?
I can be free
