Fill in the gaps

Remix (I Like The) by New Kids On The Block

She was that (1) in the corner	I need it
Thick rimmed glasses	Need it, go
Everybody laughed	Baby I (11) the new you
Every time she passed us	Come on
Ever the outcast had no flava	I like the remix, baby
But who got the (2) laugh, hey	I like the remix, remix
Always (3) last	I like the remix, baby
No one (4) kissed her	I (12) the remix, (13) (break it down)
Missing for days	Do what you doing, I like
But (5) missed her	The way you do it
She went from wallpaper to heartbreaker	Do what you doing, I like
ou shoul have seen her	The way (you do it, do it)
Guitar	I like the new you
Baby I like the new you	Forget about the old school
like the remix, baby	I (14) the sexy (15) you turned into
(6) the remix, remix	So give me the V2
Oo what you doing, I like	Some of that (16) fuel
The way you do it	I like the beat
Oo what you doing, I like	That your body moves to, (17) to
The way you do it (do it)	Do what you doing, I like
Now her body's so crazy	The way you do it (18) (I'm speechless, come on)
Got mad attention	I (19) the remix, (20) (I like the new
Everybody (7) her	you)
(8) to mention	The one you (21) into
My (9) so intelligent	I (22) the remix, remix
Down with it, independent, got it all	I (23) the remix, baby
See no one ever knew	Sexy, (24) thing
She was a transformer	I like the remix, remix
Vent straight from a two	I (25) the V2
Го an I just wanna own you	Said I like the new you baby
can't (10) myself	Hey
