

Fill in the gaps

Broken this (1) thing now	Here I go, scream my lungs out and try get to you
And I can't, I can't pick up the pieces	You are my only one
And I've thrown my words all around	I let go, there's just no one that gets me like you do
But I can't, I can't (2) you a reason	You are my only, my only one
I (3) so broken up	Here I go so dishonestly
(So broken up)	Leave a note for you, my (13) one
And I (4) up	And I (14) you can see right through me
(I give up)	So let me go and you will find some one
I (5) (6) to tell you so you know	Here I go, scream my lungs out and try get to you
Here I go, scream my (7) out and try get to you	You are my (15) one
You are my only one	I let go, there's (16) no one, no one like you
I let go, there's just no one that (8) me like you do	You are my only, my (17) one
You are my only, my (9) one	My (18) one, my only one, my only one
Made my mistakes, let you down	You are my only, my only one
And I can't, I can't (10) on for too long
