

Fill in the gaps

I remember years ago	Shout it from the (17) top
Someone told me I should take	Write it on the sky line
Caution (1) it comes to love	All we had is gone now
I did, I did	Tell them I was happy
And you were (2) and I was not	And my heart is broken
My illusion, my mistake	All my scars are open
I was careless, I forgot	Tell them what I hoped would be
I did	Impossible, impossible
And now when all is done	Impossible, impossible
There is (3) to say	Impossible, impossible
You have (4) and so effortlessly	Impossible, impossible
You (5) won	(Oh) Impossible (yeah yeah)
You can go (6) tell them	I (18) (19) ago
Tell (7) all I (8) now	Someone told me I should take
Shout it (9) the roof top	Caution when it (20) to love
Write it on the sky line	I did
All we had is gone now	Tell them all I know now
Tell them I was happy	Shout it (21) the roof top
And my heart is broken	Write it on the sky line
All my (10) are open	All we had is gone now
Tell them (11) I hoped would be	Tell (22) I was happy (I was happy)
Impossible, impossible	And my heart is broken
Impossible, impossible	All my scars are open
Falling out of (12) is hard	Tell them what I hoped would be
Falling for (13) is worse	Impossible, impossible
Broken (14) and broken hearts	Impossible, impossible
I know, I know	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building faith on love is worse	Impossible, impossible
Empty promises will wear	I (23) (24) ago
I know, I know	Someone told me I should take
And now when all is gone	Caution when it comes to love
There is nothing to say	I did
And if you're done with embarrassing me	
On your own you can go (15) tell them	
Tell (16) all I know now
