

Fill in the gaps

I remember years ago	Shout it from the roof top
Someone told me I should take	Write it on the sky line
Caution when it comes to love	All we had is (7) now
I did, I did	Tell them I was happy
And you were strong and I was not	And my (8) is broken
My illusion, my mistake	All my scars are open
I was careless, I forgot	Tell them what I hoped would be
I did	Impossible, impossible
And now when all is done	Impossible, impossible
There is nothing to say	Impossible, impossible
You have gone and so effortlessly	Impossible, impossible
You have won	(Oh) Impossible (yeah yeah)
You can go ahead tell them	I remember years ago
Tell them all I know now	Someone told me I should take
Shout it from the roof top	Caution (9) it comes to love
Write it on the sky line	l did
All we had is gone now	Tell them all I know now
Tell (1) I was happy	Shout it from the roof top
And my heart is broken	Write it on the sky line
All my scars are open	All we had is gone now
Tell them what I hoped (2) be	Tell them I was happy (I was happy)
Impossible, impossible	And my heart is broken
Impossible, impossible	All my scars are open
Falling out of love is hard	Tell them what I hoped would be
Falling for betrayal is worse	Impossible, impossible
Broken trust and broken hearts	Impossible, impossible
I know, I know	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building faith on love is worse	Impossible, impossible
Empty (3) will wear	I remember years ago
I know, I know	Someone told me I should take
And now (4) all is gone	Caution when it comes to love
There is nothing to say	I did
And if you're done with embarrassing me	
On your own you can go (5) (6) them	
Tell them all I know now
