

Fill in the gaps

I remember years ago	And if you're (12) with
Someone told me I (1) take	(13) me
Caution (2) it (3) to love	On your own you can go (14) tell them
I did, I did	Tell them all I (15) now
And you were (4) and I was not	Shout it (16) the roof tops
My illusion, my mistake	Write it on the sky line
I was careless, I forgot	All we had is gone now
I did, I did	Tell them I was happy
And now all is done	And my heart is broken
There is nothing to say	All my (17) are open
You have gone and so effortlessly	Tell them what I hoped (18) be
You have won	Impossible, impossible
And so go (5) (6) them	Impossible, impossible
Tell (7) all I know now	I (19) years ago
Shout it from the roof tops	Someone told me I should take
Write it on the sky line	Caution when it comes to love
All we had is gone now	I did
Tell them I was happy	Tell them all I (20) now
And my heart is broken	Shout it (21) the roof top
All my scars are open	Write it on the sky line
Tell them what I hoped would be	All we had is gone now
Impossible, impossible	Tell them I was happy
Impossible, impossible	And my (22) is broken
Falling out of love is hard	All my scars are open
Falling for betrayal is worst	Tell them what I (23) would be
Broken trust and (8) hearts	Impossible, impossible
I know, I know	Impossible, impossible
Thinking all you need is there	Impossible, impossible
Building (9) on love and words	I (24) (25) ago
Empty (10) will wear	Someone told me I should take
I know, I know	Caution (26) it (27) to love
And now all is gone	l did
There is (11) to say
