Impossible (Cover) by Maddi Jane

There is nothing to say

Fill in the gaps

I remember years ago	And if you're done with embarrassing me
Someone (1) me I should take	On your own you can go ahead tell them
Caution when it comes to love	Tell them all I know now
I did, I did	Shout it from the roof tops
And you (2) strong and I was not	Write it on the sky line
My illusion, my mistake	All we had is gone now
I was careless, I forgot	Tell (7) I was happy
I did, I did	And my heart is broken
And now all is done	All my scars are open
There is nothing to say	Tell them what I hoped (8) be
You have (3) and so effortlessly	Impossible, impossible
You have won	Impossible, impossible
And so go ahead tell them	I remember years ago
Tell them all I know now	Someone told me I should take
Shout it from the (4) tops	Caution when it comes to love
Write it on the sky line	I did
All we had is gone now	Tell them all I know now
Tell them I was happy	Shout it from the roof top
And my heart is broken	Write it on the sky line
All my scars are open	All we had is gone now
Tell them what I hoped would be	Tell them I was happy
Impossible, impossible	And my heart is broken
Impossible, impossible	All my scars are open
Falling out of love is hard	Tell them (9) I hoped would be
Falling for betrayal is worst	Impossible, impossible
Broken trust and broken hearts	Impossible, impossible
I know, I know	Impossible, impossible
Thinking all you (5) is there	I remember years ago
Building faith on love and words	Someone told me I should take
Empty (6) will wear	Caution when it comes to love
I know, I know	I did
And now all is gone
