Fill in the gaps

Just Give Me A Reason by P!nk & Nate Ruess (Fun)

Right from the start	I never stopped
You were a thief, you stole my heart	You're still written in the scars, on my heart
And I, your willing victim	You're not broken, just bent
I let you see the parts	And we can learn to love again
Of me that weren't all that pretty	Our (15) ducts and rust
And with every touch you fixed them	I'll fix it for us
Now you've been (1) in your sleep	We're collecting (16) but our love's enough
Things you (2) say to me	You're holding it in
Tell me that you've had enough	You're pouring a drink
Of our love, our love	No, nothing is as bad as it seems
Just give me a reason, just a little bit's enough	We'll (17) clean
Just a second, we're not broken, just bent	Just give me a reason, (18) a little bit's enough
And we can learn to love again	Just a second, we're not broken, just bent
It's in the stars	And we can (19) to love again
It's (3) written in the scars, on our hearts	It's in the stars
We're not broken, just bent	It's (20) written in the scars, on our hearts
And we can (4) to love again	That we're not broken, just bent
I'm sorry I don't understand	And we can learn to love again
Where all of (5) is (6) from	Just give me a reason, (21) a little bit's enough
I (7) that we were (8) (we had	Just a second, we're not broken, just bent
everything)	And we can learn to love again
Your head is running (9) again	It's in the stars
My dear, we still (10) everything	It's been written in the scars, on our hearts
And it's all in (11) mind (yeah, but this is	That we're not broken, just bent
happening)	And we can (22) to (23) again
You've been having real bad dreams	We can learn to (24) again
You used to lie so close to me	We can learn to love again
There's (12) more than empty sheets	That we're not broken, just bent
Between our love, our love	And we can (25) to (26) again
Our love, our love	
Just give me a reason, (13) a little bit's enough	
Just a second, we're not broken, just bent	
And we can (14) to love again	

1. talking

- 2. never
- 3. been
- 4. learn
- i. ioui
- 5. this
- 6. coming
- 7. thought
- 8. fine
- 9. wild
