I'm seeing this girl	That's where I draw the line
And she (1) might be out of her mind	You told me a hundred time
Well she's got baggage	How your father left and he's gone
And it's all the emotional kind	But I wish you wouldn't call me daddy
She (2) (3) closure and that	When we're gettin' it on
validation bit	And I say (yehe, yehe)
I don't mean to be insensitive	Oh man she's got issue
But I really hate that	And I'm gonna pay
And I say (yehe, yehe)	(Yehe, yehe)
Oh man she's got issue	She's playing the victim
And I'm gonna pay	And taking it all out on me
(Yehe, yehe) She thinks she's the victim	(Yehe, yehe)
Yeah	My god she's got issue
Now I (4) she'll feel abandoned	And I'm gonna pay
If I don't stay over late	Gonna pay
And I know she's afraid to commit	Gonna pay
But it's only our second date	Gonna pay
And I say (yehe, yehe)	Gonna pay
Oh man she's got issue	Gonna pay
And I'm gonna pay	If you think I'm controlling
(Yehe, Yehe)	Then why do you follow me around
She thinks she's the victim	If you're not co-dependent
But she takes it all out on me	Then why do you let others drag you down
I don't know why you're (5) up	I don't know why you're messed up
I don't know why your whole life is a chore	I don't (8) why your whole life is a chore
Just do me a favor	Just do me a favor
And check your (6) at the door	And check your (9) at the door
Now she talks (7) her ex nonstop	
But I don't mind
