

Fill in the gaps

This indecision got me climbing up the wall		On our kiss, thought I'd save my breath for you
Been (1) (2)	and	Give me some rope I'm coming loose
waiting on the fall		I'm (7) on you
How could (3) come over me		Give me some rope I'm coming loose
Thought I was above it all		I'm pulling for you now
Our hope's gone up in smoke		Give me some rope I'm coming out of my head
Swallow (4) crown		Into the clear
(Choke)		When you go
On our kiss, thought I'd save my breath for you		I come
(Choke)		Loose
On our kiss, thought I'd save my breath for you		Give me some rope I'm coming loose
Give me some rope I'm coming loose		I'm hanging on you
I'm (5) on you		Give me some rope I'm coming loose
Give me some rope I'm coming loose		I'm pulling for you now
I'm pulling for you now		Give me some hope I'm (8) through
Give me some rope I'm coming out of my head		I'm counting on you
Into the clear		Give me some rope I'm coming out of my head
When you go		Into the clear
I come		When you go
Loose		I come
These premonitions got me crying up a storm		Loose
Leave (6) condition, this position does no harm	า	
(Choke)		
On our kiss, thought I'd save my breath for you		
(Choke)
