Long Road To Ruin by Foo Fighters

Here now, don't make a sound

Say, (1)_____ you heard the news today?

One flag was (2)_____ down

To (3)_____ another in its place

A (4)_____ (5)_____ you bear

A stubborn (6)_____ (7)_____ unchanged

No harm, no life, no love

No stranger singin' in your name

Maybe the season

The (8)_____ (9)_____ in the valley skies

Dear God, I've sealed my fate

Runnin' (10)_____ hell, heaven can wait

Long road to ruin there in (11)_____ eyes

Under the cold streetlights

No tomorrow, no (12)_____ end in sight

Let's say we take this town

No (13)_____ or (14)_____ of any state

Get up to shut it down

Open the (15)_____ and raise the gates

I know a wall to scale

I know a field without a name

Head on without a care

Before it's way too late

Maybe the season

The colors change in the valley skies

Oh God, I've (16)_____ my fate

Runnin' through hell, heaven can wait

Long road to (17)_____ there in your eyes

Under the cold streetlights

No tomorrow, no (18)_____ end

Long (19)_____ to ruin there in your eyes

Under the (20)_____ streetlights

No tomorrow, no dead end in sight

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

For every piece to fall in place

Forever gone without a trace

Your (21)_____ takes its shape

No turnin' back, don't turn (22)_____ page

Come now, I'm leavin' here tonight

Come now, let's leave it all behind

Is that the price you pay

Runnin' through hell, heaven can wait

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

Long (23)_____ to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead ends

Long road to ruin there in your eyes

Under the cold streetlights

No tomorrow, no dead end in sight
