

Dear in the headlight, spoke in the wheel

Fill in the gaps

Once (1) a time I was (2) else	You want pretend, I (18) for real
In another life I saw myself	I'm taking it back, all my IOU's
Way back then, back when I was new	You got a lot of nerve
Somehere down the (3) I started to slip	Now I'll show a (19) backbone why don't you
Years (4) by, (5) my lip	I'm (20) for some back and forth
All the while, all (6) time I knew	(21) you
Now you're on your own, one for the pages	Are you feeling the same as I do?
Over the hill and (7) the ages	Now and, now and then
Does my heaven burn (8) hell on you?	I'm looking for (22) back and forth with you
Out beneath the cracks they're coming in waves	Are you feeling the (23) as I do?
Rolling like an earthquake under the pavement	Down and out
Tell me now, (9) me Mr. True	You got a lot of nerve
You got a lot of nerve	Now I'll show a little backbone why don't you
Now I'll (10) a little backbone why don't you	I'm looking for some back and forth with you
I'm looking for (11) back and forth with you	Are you (24) the same as I do?
Are you feeling the same as I do?	Now and, now and then
Now and, now and then	I'm looking for some (25) and forth with you
I'm looking for some (12) and forth with you	Are you feeling the (26) as I do?
Are you (13) the (14) as I do?	Now and, now and then
Down and out	I'm looking for some (27) and forth with you
Holding my breath, I (15) and waited	Are you feeling the same as I do?
How'd this simple (16) get so complicated?	Down and out
Shoes to fill, secrets to spill (17) you
