

Fill in the gaps

once upon a time i was somebody else	You want pretend, I (6) for real
n another life I saw myself	I'm taking it back, all my IOU's
Nay (1) then, back when I was new	You got a lot of nerve
Somehere (2) the line I started to slip	Now I'll show a little backbone why don't you
Years gone by, biting my lip	I'm looking for some (7) and forth (8)
All the while, all this time I knew	you
Now you're on your own, one for the pages	Are you feeling the same as I do?
Over the hill and through the ages	Now and, now and then
Does my heaven burn like hell on you?	I'm looking for some back and forth with you
Out beneath the cracks they're coming in waves	Are you feeling the same as I do?
Rolling like an earthquake under the pavement	Down and out
Tell me now, (3) me Mr. True	You got a lot of nerve
You got a lot of nerve	Now I'll show a little backbone why don't you
Now I'll show a little backbone why don't you	I'm looking for some back and forth with you
'm looking for some back and (4) with you	Are you feeling the same as I do?
Are you (5) the same as I do?	Now and, now and then
Now and, now and then	I'm looking for some back and forth with you
'm looking for some back and forth with you	Are you (9) the same as I do?
Are you feeling the same as I do?	Now and, now and then
Down and out	I'm looking for some back and forth with you
Holding my breath, I waited and waited	Are you feeling the same as I do?
How'd this simple life get so complicated?	Down and out
Shoes to fill, secrets to spill down you	
Dear in the headlight, spoke in the wheel
