All my (1) I've been searching for something	Closer to the prize at the end of the rope
Something never comes (2) leads to nothing	All (22) (23) I dream of the day
Nothing satisfies but I'm getting close	When it (24) around then it's taken away
Closer to the prize at the end of the rope	Leaves me with the feeling that I feel the most
All night long I dream of the day	The feeling comes to life (25) I see your ghost
When it (3) around (4) it's taken	And I'm done, done
away	And I'm on to the next one
Leaves me with the feeling that I feel the most	Done, done
The (5) I see	And I'm on to the next one
your ghost	Done, done
Come down don't you resist	And I'm on to the next one
You have such a delicate wrist	Done, done
And if I (7) it a twist	And I'm on to the next one
Something to (8) I lose my breath	Done, done
Will I find something in that	And I'm on to the next one
So give me just what I need	Done, done
Another (10) to bleed	And I'm on to the next one
One by one hidden up my sleeve	Done, done
One by one hidden up my sleeve	And I'm on to the next one
Hey don't let it go to waste	Done, I'm done
I (11) it but I (12) the taste	And I'm on to the next
Weight keeping me down	Done, done
Hey don't let it go to waste	And I'm on to the next one
I love it but I hate the taste	Done, I'm done
Weight (13) me down	And I'm on to the next one
Will I find a believer	Done, done
Another one who believes	And I'm on to the next one
Another one to deceive	Done, I'm done
Over and (14) down on my knees	And I'm on to the next
If I get any closer	Hey don't let it go to waste
And if you (15) up wide	I love it but I (26) the taste
And if you let me inside	Weight (27) me down
On and on I've got nothing to hide	Hey don't let it go to waste
On and on I've got nothing to hide	I love it but I hate the taste
Hey don't let it go to waste	Weight keeping me down
I (16) it but I (17) the taste	Done, done
Weight (18) me down	And on to the next one
Hey don't let it go to waste	Done, I'm done
I (19) it but I hate the taste	And I'm on to the next
Weight keeping me down	
All my life I've been (20) for something	
Something never comes (21) leads to nothing	
Nothing satisfies but I'm getting close
