

Fill in the gaps

What a day?	As I trip the darkness
I can barely keep my eyes wide open	One (13) time
I don't wanna see straight	Follow me, (14) me
What a day?	I awake from madness
Feels (1) my (2) is (3)	_ Just in time
again	What a day?
And I'm totally faded	I can (15) keep my eyes (16) open
Come to me, come to me	I don't wanna see straight
I am (4) for you	What a day?
Come to me	Seconds, minutes and hours spill over
I can't wait	There's no time here in space
Follow me, (5) me	Come to me, come to me
As I (6) the darkness	Come to me
One more time	Come to me, (17) to me
Follow me, follow me	Come to me, come to me
I awake (7) madness	I am waiting for you
Just in time	Follow me, follow me
What a day?	As I (18) the darkness
Seconds, minutes and hours (8) over	One more time
There's no (9) in space	Follow me, (19) me
What a day?	I (20) (21) madness
I see beauty in everything	Just in time
But the (11) is (12) fading away	Just in time (just in time)
Come to me, come to me	I awake from madness
I am waiting for you	One (22) time
Come to me	
I can't wait	
Follow me, follow me
