Trip The Darkness by Lacuna Coil

Fill in the gaps

What a day?	As I trip the darkness	
I can barely keep my eyes (1) open	One more time	
I don't wanna see straight	Follow me, follow me	
What a day?	I awake from madness	
Feels like my breath is heavy again	Just in time	
And I'm totally faded	What a day?	
Come to me, come to me	I can barely keep my eyes wide open	
I am waiting for you	I don't wanna see straight	
Come to me	What a day?	
I can't wait	Seconds, minutes and hours (7)	_ ove
Follow me, follow me	There's no time here in space	
As I (2) the darkness	Come to me, come to me	
One (3) time	Come to me	
Follow me, follow me	Come to me, come to me	
I awake from madness	Come to me, come to me	
Just in time	I am (8) for you	
What a day?	Follow me, follow me	
Seconds, minutes and hours spill over	As I trip the darkness	
There's no time (4) in space	One (9) time	
What a day?	Follow me, follow me	
I see (5) in everything	I awake from madness	
But the (6) is still fading away	Just in time	
Come to me, come to me	Just in time (just in time)	
I am waiting for you	I awake from madness	
Come to me	One more time	
I can't wait		
Follow me, follow me
