

Fill in the gaps

I was left to my own devices					
Many days fell away (1) nothing to sho					
And the walls kept tumbling down					
In the city that we love					
Great clouds roll over the hills					
Bringing darkness from above					
But if you close your eyes					
Does it almost feel like nothing changed at all					
And if you close your eyes					
Does it almost feel like you've been here before					
How am I gonna be an optimist about this					
How am I gonna be an optimist about this					
We were caught up and lost					
In all of our vices					
In your pose as the dust					
Settles around us					
And the walls kept tumbling down					
In the (2) (3) we love					
Great clouds roll over the hills					
Bringing darkness from above					
But if you close your eyes					
Does it almost feel like nothing changed at all					

And if you close your eyes					
Does it almost feel like you've been here before					
How am I gonna be an optimist about this					
How am I (4) be an optimist about this					
Oh, (5) do we begin					
The rubble or our sins					
Oh, where do we begin					
The rubble or our sins					
And the walls kept (6) down					
In the city that we love					
Great clouds roll over the hills					
Bringing darkness from above					
But if you close your eyes					
Does it a	lmost	(7)	like	nothing	
(8) at all					
And if you close your eyes					
Does it almost feel like you've been here before					
How am I gonna be an optimist about this					
How am I gonna be an optimist about this					
If you close (9) eyes					
Does it almost feel like nothing changed at all
