

## 93 Million Miles by Jason Mraz

93 million miles from the sun

People get ready, get ready

'Cause here it comes, it's a light

A beautiful light

Over the horizon, into our eyes

Oh, my, my, how beautiful

Oh, my beautiful mother

She told me, son, in life you're gonna go far

If you do it right, you'll love where you are

Just know, wherever you go

You can always come home...

240 thousand miles from the moon

We've come a (1)\_\_\_\_\_ way to belong here

To share this view of the night

A glorious night

Over the horizon is another bright sky

Oh, my, my, how beautiful

Oh, my irrefutable father

He told me, son, sometimes it may seem dark

But the absence of the light is a (2)\_\_\_\_\_ part

Just know, you're (3)\_\_\_\_\_ alone

You can always (4)\_\_\_\_\_ back home...

Home

Home

You can (5)\_\_\_\_\_ come back

Every road is a slippery slope

But there is always a (6)\_\_\_\_\_ (7)\_\_\_\_\_ you can hold on to

Looking deeper (8)\_\_\_\_\_ the telescope

You can see that your home's inside of you

Just know

That wherever you go

No, you're never alone

You will (9)\_\_\_\_\_ get back home....

...

Home

Home

...

93 million miles from the sun

People get ready, get ready

'Cause here it comes

It's a light, a beautiful light

Over the horizon

Into our eyes

Answer

1. long
2. necessary
3. never
4. come
5. always
6. hand
7. that
8. through
9. always

**Fill in the gaps**
