93 Million Miles by Jason Mraz

93 million miles from the sun
People get ready, get ready
'Cause here it comes, it's a light
A beautiful light
Over the horizon, (1)_____ our eyes
Oh, my, my, how beautiful
Oh, my (2)_____ mother
She told me, son, in life you're (3)_____ go far
If you do it right, you'll love where you are
Just know, (4)_____ you go
You can always (5)_____ home...
240 thousand (6)_____ (7)_____ the moon
We've come a long way to belong here
To share this view of the night
A glorious night
Over the horizon is another bright sky
Oh, my, my, how beautiful
Oh, my irrefutable father
He told me, son, sometimes it may seem dark
But the absence of the light is a necessary part
Just know, you're (8)_____ alone
You can always come back home...
Home

Home
You can always come back
Every road is a slippery slope
But there is always a hand that you can hold on to
Looking deeper through the telescope
You can see that your home's inside of you
Just know
That wherever you go
No, you're (9)_____ alone
You will always get back home....
...
Home
Home

93 million miles from the sun
People get ready, get ready
'Cause here it comes
It's a light, a beautiful light
Over the horizon
