

I ain't missing you at all

Fill in the gaps

Every time I think of you	(Missing you)	
always catch my breath	Since you've been gone (missing you)	
And I'm still standing here	Away, I ain't missing you	
And you're miles away	(Missing you)	
And I'm wondering why you left	No matter	
And there's a storm that's raging	What my friends say (missing you)	
Through my frozen heart tonight	And there's a message that I'm (6)	out
(1) your name	Via telegraph	
n certain circles	To your soul	
And it always makes me smile	And if I can't bridge this distance	
spend my time	Stop this heartbreak overload	
Thinking about you	I ain't missing you at all	
And it's almost (2) me wild	(Missing you)	
And there's a heart that's breaking	Since you've been gone (missing you)	
Down this long distance line tonight	Away, I ain't missing you	
ain't missing you at all	(Missing you)	
(Missing you)	I ain't missing you	
Since you've been (3) (missing you)	(Missing you)	
Away	I can't lie to myself	
ain't missing you	And there's a storm that's raging	
(Missing you)	Through my (7) heart tonight	
No matter	I ain't (8) you at all	
What I (4) say (missing you)	I ain't (9) you, no, no	
There's a message	I ain't missing you	
n the wire	I ain't missing you	
And I'm sending you the signal tonight	I ain't missing you	
You don't know	I ain't missing you	
How desperate I've become	I ain't missing you	
And it (5) like I'm losing this fight	I ain't missing you	
n your world	I ain't missing you	
have no meaning	Everytime I think of you	
Though I'm trying hard to understand	I always catch my breath	
And it's my heart that's breaking		
Down this long distance line tonight
