That's What Friends Are For by Dionne Warwick & Friends

And I	In good times
Never thought I'd feel (1) way	And bad times
And as far as I'm concerned	I'll be on your side (8) more
I'm glad I got the chance to say	That's what friends are for
That I do (2) I love you	Keep smiling
And if	Keep shining
I (3) ever go away	Knowing you can always count on me
Well, then close your eyes and try	For sure
To feel the way we do today	That's what friends are for
And (4) if you can remember	For good times
Keep smiling	And bad times
Keep shining	I'll be on your side forever more
Knowing you can always count on me	That's what (9) are for
For sure	Keep smiling
That's what friends are for	Keep shining
For (5) times and bad times	Knowing you can always count on me
I'll be on your side forever more	For sure
That's (6) friends are for	'Cause I tell you, that's what friends are for
Well, you (7) in loving me	For good times and for bad times
And now there's so much more I see	I'll be on your (10) forever more
And so by the way I thank you	That's what friends are for
Oh, and then	That's what friends are for
For the times when we're apart	Keep smiling (smiling)
Well, then close your eyes and know	Keep shining (shining)
The words are coming from my heart	Only for sure
And then if you can remember	()
Keep smiling	That's what friends are for
And keep shining	()
Knowing you can always count on me
